Exhaustive list of reports in an easy-to-use UI

The screenshot displays the M365 Manager Plus interface, specifically the 'Reports' section under 'Management & Reporting'. The top navigation bar includes 'Dashboard', 'Reports', 'Management', 'Automation', 'Delegation', 'Settings', and 'Support'. A search bar for reports is located at the top left of the main content area. The left sidebar lists various report categories: Exchange Online (Mailbox Reports, Mail Traffic Reports, OWA & Mobile Reports, Mailbox Usage Reports, Other Exchange Reports), Azure Active Directory (User Reports, Group Reports, Contact Reports, License Reports, Other Azure Reports), and Other Services (OneDrive for Business Reports, Skype for Business Reports, Yammer Reports, SharePoint Reports, Teams Reports, Security Reports, Compliance Reports). The main content area is titled 'Mailbox Reports' and features a 'Schedule Report' button. It is organized into three sections: General Mailbox Reports, Size Reports, and Content Reports. Each section contains a grid of report links.

The screenshot displays the M365 Manager Plus interface. The top navigation bar includes the logo, 'Management & Reporting' dropdown, and links for License, Jobs, TalkBack, and a user profile. Below this is a secondary navigation bar with tabs for Dashboard, Reports, Management (active), Automation, Delegation, Settings, and Support. A search bar labeled 'Search Action (Ctrl+Space)' is followed by a list of categories: Mailbox, Shared Mailbox, Public Folders, Mobile Devices, Calendar, User, Group, Contact, License, Teams, and SharePoint. The main content area is titled 'Mailbox Permission Changes'. It features a section with 'Select Users', a plus icon, 'Select Permissions', a dropdown arrow, 'Allow', another dropdown arrow, and a green plus icon. Below this is a section titled 'Find Mailbox(es) to Modify'. It contains a 'Microsoft 365 Tenant' dropdown set to 'ompqa.onmicrosoft.com'. Under 'Select Mailbox(es)', there are two radio buttons: 'Enter name(s) to search' and 'CSV Import', which is selected and highlighted with a red rectangle. Below the radio buttons is a file selection area with 'No file selected', a 'Browse' button, and a 'Download Sample CSV' link. At the bottom of this section is a green 'Import Mailbox(es)' button.
