Business Needs

The mission of Central Bancshares is to be a high performance financial services company that delivers superior service and value to each customer we serve. We will emphasize employee and customer satisfaction – always mindful that quality people will make the Central difference. Central Bank, a 2 billion dollar bank located in Lexington, Ky needed a highly reliable, accurate and in-depth Windows Network auditing and reporting software.

Solution

With ADAudit Plus, Central Bank, were able to audit and have a commanding view of their AD actions with events tracking and reporting. Various compliances were met by the 150+ preconfigured reports and the ability to export the reports to auditors. Central Bank IT team could now monitor the previously unknown reasons for account lockouts, failed passwords, group creation by admins and created and deleted users, to name a few. Other product highlights in Central Bank team words were 'installation and ability to run fully configured within 30 minutes, thorough AD auditing and monitoring, Best product we found and for a very reasonable price for the information provided'.
